Lift Every Voice and Sing

Lift every voice and sing
Till earth and heaven ring,
Ring with the harmonies of Liberty:
Let our rejoicing rise
High as the listening skies,
Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us,
Facing the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chastening rod,
Felt in the days when hope unborn had died,
Yet with a steady beat,
Have not our weary feet
Come to the place for which our fathers sighed?
We have come over a way that with tears has been watered,
We have come, treading our path
through the blood of the slaughtered,
Out from the gloomy past,
Till now we stand at last
Where the white gleam of our brightest star is cast.
